## 2. Logistic information: "How to come to the Cadastre Amsterdam?"

/\* Location \*/

The location of the meeting is: Kadaster office, Amsterdam, address: Naritaweg 3

/\* How to get there \*/

The workshop location is 2 minutes walking from Railway Station "Amsterdam Sloterdijk". There are direct trains from both Schiphol Airport AND Amsterdam Central Station to this station.

From Schiphol Airport to Amsterdam Sloterdijk is about ten minutes. The train goes several times per hour, see <http://www.ns.nl/en/travellers/home>

You can buy your ticket in advance or at the machines, see

<http://www.ns.nl/en/travellers/arrange-and-buy>

The one-way ticket will be valid for the complete day. So you don't have to take a specific train (as in some of your countries).

Walking direction from Amsterdam Sloterdijk Railway stations:

From the quay you should follow the signs "Stationshal" and then "Taxi". That will bring you to the Orlyplein at the front of the station. A little bit left, at the opposite of the road you see the "Orly Centre" which also hosts the Kadaster office. The building looks like this:
