

The Next Steps

- LDWizard Working Group: next session October 20th 14:00 (online)
 - https://docs.google.com/document/d/1foUb3W_xnMqNcXNkheBzgNW5yfG4_C5kH8NIlsmsiog/edit#
- Mark Lindeman is our gatekeeper (monitors development & maintenance activities)
 - <https://github.com/pldn/LDWizard> (check our issues list when you would like to contribute)
- Governance and document structure (GitHub + PLDN website):
 - [Code of Conduct](#) (our preferred interaction behavior)
 - [Configuring](#) (how to configure a new LDWizard variant)
 - [Contributing](#) (how to develop local LDWizard code)
 - [Bounty procedures](#) (how organizations can place and how developers can solve bounties)
 - [Governance](#) (roles and governance structure, incl. the gatekeeper role)
- New LDWizard version
 - Voluntary & Bounty model (see current [Bounties List](#)):
